

## The Challenge – Module 3 – Day 2

### 2010TCMD3D2a: Intro

Running Time: 1 mins

Hey, Macca! Double frappuccino with sugar! Yes! Excellent! Of course, we'll come back for you, no problem!

Ah, hi! Yeah, we just -- Michelle is just going to get the frappuccino's. Well today, in **day two** of this module, the wonderful **Caro McCourtie** is going to show you how to use **Ezine Articles**. And by using Ezine Articles, **you're creating a link and you're also getting content out there**. So, it's an excellent thing to do. And Caro is going to show you exactly how to do it.

So, we're going to go around and pick Michelle up. And you are going to head over there for day two of **the Challenge** in this module.

### Actions

- Sign up for a free account with **EzineArticles** and familiarize yourself with the terms of service
- Create a draft of your article and edit it according to the requirements set
- Submit your article and wait for the approval process to take place.

**Handy Tip** - One important thing to note with **EzineArticles**, is that **it can take between seven to ten days for your article to be approved**, particularly when there is a large volume of submissions. So be patient while you wait for the approval process to take place.
